A VERY BIG THANK
YOU TO
NIQUI BRANCHU
FOR DESIGNING OUR
AWESOME LOGO!

Hello and welcome to the very first edition of our RREAL Inc. newsletter.

It is for members only, so we really value and thank you for your support. 2017 has been a busy year thus far at RREAL! On February 17, the Office of Fair Trading advised us that our application for incorporation was successful and RIVER ROAD EQUINE ASSISTED LEARNING INC was born.

We were then able to join the Australian Business Register and were issued with an ABN and TFN. This enabled us to then open a bank account in River Road Equine Assisted Learning Inc's name.

On April 19, the Australian Charities and Not-for-Profits Commission recognised River Road Equine Assisted Learning Inc as a registered charity. So quite a lot has happened on the governance side for our humble little organisation. This is only the beginning and there is so much to achieve.

We have had 24 members join RREAL Inc in the first financial quarter. Your membership goes a long way to allow us to develop and implement equine based educational programs for disadvantaged, disengaged and/or developmentally delayed youths and children. Thank you so, so much.

A big thank to the RREAL treasurer, Dakota Patterson and secretary, Jennifer Miles. Both of these amazing ladies have been a significant part of my life and I am so honoured they have agreed to join me on this ride. They baulk at nothing and are a wonderful support. I could not have come this far without them.

There are some interesting projects developing for RREAL right at this moment. One of these projects has been our website and it is now LIVE!

Check it out at: www.rrealinc.org.au

We have dropped our details and particulars in to Bunnings Maroochydore to be allotted a sausage sizzle time slot, which will be a great way to get RREAL Inc out in the community and raise some funds. We have come a long way in six short months and we are SO excited about what the future of RREAL Inc holds. *Lisa*

MEMBERSHIP & SPONSORSHIP

Membership is always encouraged, so if you know of anyone who would like to be a part of RREAL, please direct them to us and we can get membership forms to them. We are working on growing the membership package for 2018, so stay tuned and watch this space.

Likewise, sponsorship is something we welcome. We can offer free advertising on our FB page and website to sponsors. If you think sponsorship is something you would like to find out more about, please contact Lisa Warren 0427559122 or email rrealinc1@gmail.com

INTRODUCING THE TEAM

...MEET THE HORSES...

KATIE

Katie holds the title of both smallest AND oldest horse in the RREAL team.

Katie is a 25 yo Miniature horse. Her colour is what is known as 'silver dapple'. Katie is 8.2 hands high, approximately 83cm at the wither.

Katie is a gentle, kind horse. She enjoys being brushed and eating carrots.

Olaf is a Palouse (meaning an appaloosa coloured pony). We think Olaf is around 10 years old and he's approximately 9 hands high. He has had some bad handling in the past, which can make him very wary of meeting new people. Olaf is a very clever pony and is very fast to learn new things. He likes eating carrots!

OLAF

LILY & RIVER

Lily is an 8 year old black quarter horse mare and River is an 8 year old chestnut quarter horse gelding. They both come from the same stud, but are not related.

Bailey is a 17 year old Appaloosa gelding. He is chestnut with a white blanket. Bailey is about 15 hands high. Bailey is a very clever horse and is a fast learner. He loves treats!

BAILEY

Thanks must also go to [Justine Bath](#) for the gorgeous photos which you see on our website and Facebook page and also many thanks to [Lisa Spence](#) who constructed the RREAL Inc. website!
